

Serenity Benalmádena

A person with blonde hair tied back is seen from behind, relaxing in a swimming pool. The pool's edge is visible in the foreground, and the water reflects the sky. In the background, a vast blue ocean stretches to the horizon under a bright blue sky with scattered white clouds. Several small, dark islands are visible on the horizon line.

Serenity Benalmádena

An oasis of tranquillity

Serenity Benalmádena is a fantastic, modern development right in the heart of the Costa del Sol. A privileged area where the rolling green hills of Andalucía meet the turquoise blue waves of the Mediterranean Sea.

These beautifully finished homes are uniquely placed to offer an environment of calm and tranquillity only a few minutes away from the sandy beaches of the Costa del Sol.

A new way of living

A new way of life

Combining Andalusian charm with modern design and a fantastic location. Serenity Benalmádena is the place to be on the Costa del Sol. The development includes its own gym, sauna and lavish gardens, as well as the “gastroteca” concept of shared living space for entertaining. The Serenity Benalmádena complex aspires to be more than just an apartment development.

With properties of two, three and four bedrooms, this stunning development offers fantastic value as well as the perfect relaxed lifestyle on the Mediterranean Coast!

The homes are designed to benefit from the fantastic views of the sea and are orientated for optimal natural light meaning you can maximise your enjoyment of the fantastic weather the area has to offer all year round.

Features & design

All of the 133 properties on the development have been designed to allow you to maximise your enjoyment and minimise your stress. The serene gardens and peaceful living spaces and the fully equipped gym and fitness zone allow you to achieve mental and spiritual well-being, all within the confines of the development.

The project uses the natural gradient of the land to maximise the views and the natural light available at each one of the properties. The materials used in the construction are modern and innovative, meeting the most stringent requirements of European law. These homes offer great comfort as well as structural integrity and outstanding quality.

As a result, Serenity Benalmádena is a place for life, not just for living.

Unique features

Serenity Benalmádena features luxuriously equipped properties in an exclusive development of only 133 units. All enjoy private parking and fantastic shared gardens and communal pool.

There's also a wonderful shared entertainment area, "the Gastroteca" for when you decide to entertain a group.

The development enjoys easy access to golden sandy beaches, restaurants, shops, schools, sports facilities, and has the charm and allure of a pretty Andalusian town. This philosophy of conserving a serene and traditional living environment whilst keeping all the benefits of modern life to hand is one of the reasons that Serenity Benalmádena is such a wonderful place to live.

All units are fitted with athermal eco air conditioning to provide heating and air conditioning without affecting your carbon footprint or costing an arm and a leg in electricity. Thermostatic shower towers that massage you and feature rain sensation nozzles in the main bathrooms. Video concierge and integrated digital services are also pre-installed for your convenience.

There is also the opportunity for off plan buyers to personalise certain features to their exact tastes and needs.

Benalmádena

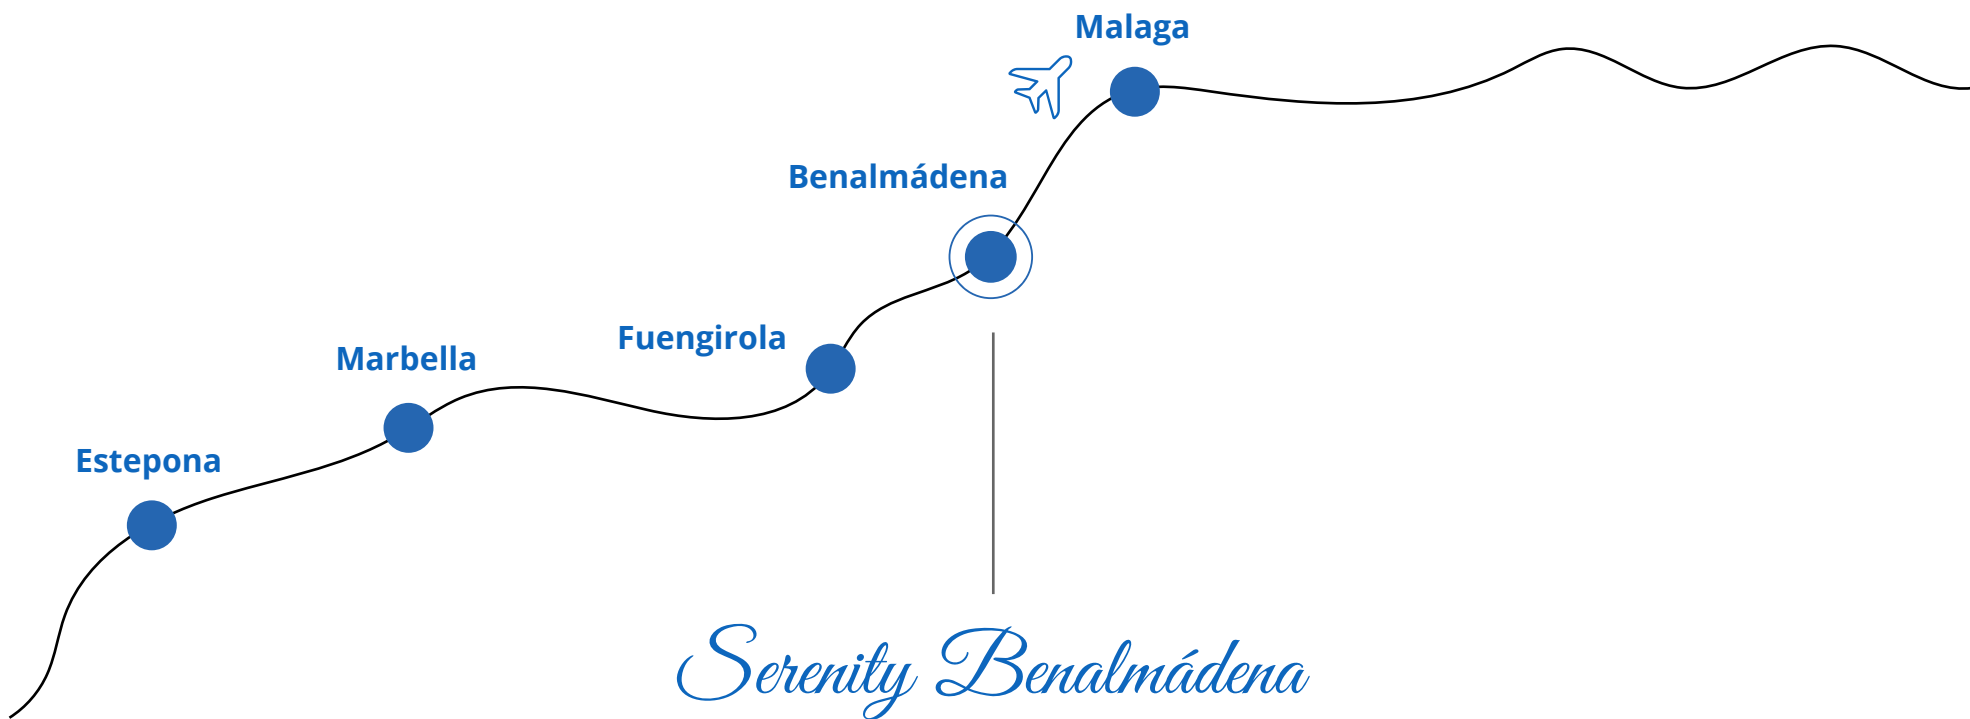

In the heart of the Costa del Sol, Benalmádena is a paradise in a perfect location. On the coast between the green Andalusian mountains and the turquoise blue of the Mediterranean Sea, it's neatly nestled away in between Torremolinos and Fuengirola, giving excellent access to all the delights that the Costa del Sol has to offer.

Benalmádena is both a quaint

Andalusian town and a bustling tourist resort at the same time. Its old quarter retains its charm and allure, while the thriving tourist industry in the area means all kinds of amenities are within reach. Everything from zoos and water parks to dolphinariums, cable cars and fine restaurants are but a few of the attractions that the area has to offer.

One of the reasons for Benalmádena's success as a tourist and holiday destination is its wonderful climate. Average yearly temperatures are about 19C and it enjoys over 300 sunny days a year. It's also home to a beautiful marina, a lovely castle and the largest Buddhist stupa in the Western world. Whatever your reason for coming to Benalmádena, you'll find many more reasons to want to stay.
